Project Description

The National Mall and Memorial Parks is the home of the Washington Monument, Lincoln, Thomas Jefferson, Martin Luther King, Jr., Franklin Delano Roosevelt, and other memorials. We host the annual Cherry Blossom Festival and a Independence Day celebration. We welcome over 36 million visits a year. Signage is necessary to communicate how to get around the park, to explain our various projects, and to interpret our resources. We need a graphic designer that can work within an established graphic system using Adobe InDesign and/or Illustrator and Photoshop, to create sign designs with a turnaround time between a week or two. Final products need to be in PDF format.
